

Prayer to St. Francis

We join with you, St. Francis, in bowing before
the God of all Creation.

When we look at the great things you did during
life, we see what marvels can be achieved by a
person blessed by God.

We join with you in praising God and giving
thanks for all the good things we have been
given.

Dear St. Francis, please pray to God for us and
ask that we may live and die in God's favor.

Please ask God for his guidance, love and
wisdom for the members of our parent council
as we make plans and decisions regarding our
children.

In the end, our only wish is for whatever gives
glory to God and is good for our health in body,
mind and spirit.

Amen
