### **Teacher's Report (Ryan Irving)**

Thank you for the Halloween activities in October and thanks for all you do

### **Chair's Report (Jennifer Kobly)**

Mentioned Match Day raised \$158000 which is a great start for the theatre. Brought up the capital plan survey and then Chelsey Lybbert went on to explain more about it. The board has a new survey program that they can learn a lot about how parents are feeling. Make sure to fill it out. The capital plan is still all up in the air and nothing is for sure, they just want to have as much input from everyone so if it does get approved they are better prepared for the start of it. There will be a new survey coming out next week. Parents are wanting Dwayne to come to a meeting or to the school sometime and talk more about the capital plan.

Jen brought up the breakfast program and asked how the meeting went.

They have changed the menu a bit and will keep an eye on the popular items to suggest to the staff for the future.

### **Treasurer's Report (Nicole Schauerte)**

Reviewed expenses to date and upcoming expenses.

Talked with the bank about putting some of our money into a GIC to make interest. It will be redeemable after 30 days. Everyone agrees it is ok to invest the GIC.
